In this case, Customer also accepts that the crew of the Aircraft are the servants and agents of Carrier and shall be authorised to take instructions only from Carrier/Provider, unless otherwise agreed by Provider in writing prior to the commencement of the Flight Schedule.
- 4.2. If at any time prior to the STD, the Aircraft becomes unavailable or unserviceable for any reason whatsoever prior to commencement of the Flight Schedule, Provider shall endeavour to find another suitable carrier at the same price. Should this prove to be impossible, Provider shall endeavour to find an alternative carrier and/or Aircraft as at close a price as possible to the Transport Price and to present such possibility to Customer for acceptance. If Provider is not able to substitute another Aircraft or Customer does not accept any available alternative, Provider shall return the Transport Price to Customer and shall not be under any further liability whatsoever to Customer. However, Customer shall remain liable to pay for any part of the Flight Schedule that has already been operated.

To cover

WAPE JETS®

the extra costs described, an invoice shall be issued upon flight completion.

- 4.13. In the case of Customer failing to pay 100 % of the deposit before the initiation of air transport, Provider may withdraw from the Agreement and require Customer to pay compensation for costs connected with the execution of the flight, particularly to pay the costs that Provider has paid or shall pay in connection with having the Aircraft in parking position at the place of departure and compensation for cancellation or similar fees to be paid.
